SCHEDULE "A"

THIS AGREEMENT made in duplicate this day of March,
A.D. 1937;

BETWEEN:

THE MUNICIPALITY OF DYSART (hereinafter called "the Municipality")

—and—

THE CANADIAN LAND AND IMMIGRATION COMPANY OF HALIBURTON, LIMITED, and DYSART LAND COMPANY, LIMITED (hereinafter called "the Companies").

WITNESSETH:

1. The outstanding tax arrears owing to the Municipality by the Companies is hereby fixed and agreed upon as being \$32,000.00 as of 31st March, 1937. The odd amount of \$41.78 over that sum to be paid by the Companies in cash to take the same out of the reckoning.

2. The assessment for purposes of general taxation of all the lands of the Companies to be settled, fixed and bulked at \$275,000.00 for the years 1937 to 1940, both inclusive, for purposes of general taxation including business tax but not including school trustee rates and local improvement rates. School trustee taxes in each of the said years to be payable on the full assessable value of the lands of both Companies according to the Revised Assessment Roll for such year.

3. The said outstanding tax arrears of \$32,000, plus the current taxes of each of the years 1937 to 1940, both inclusive, to be bulked together and for the purpose of arriving at an assumed quarterly payment it is estimated that the current taxes of each of the years 1937 to 1940 will be \$13,000.00.

4. The said outstanding arrears of taxes and the current taxes for the years 1937 to 1940 to be paid in quarterly payments commencing 1st April, 1937, and ending 1st October, 1940.

5. The three quarterly payments to be made in 1937 shall be \$5,000.00 and the quarterly payments for each of the years 1938 to 1940, both inclusive, shall be assumed at \$5,750.00 each.

6. Upon the said outstanding arrears of \$32,000.00 interest on the unpaid quarterly balances thereof shall be computed and added at the rate of 6% per annum from 1st April, 1937, and such added interest shall be paid with each quarterly payment.

7. That portion of each quarterly payment which represents the difference between the amount included therein on account of the above mentioned arrears of taxes and the total thereof shall be assumed to be quarterly payments on account of current taxes of each of the years 1937 to 1940, and if paid on due quarterly dates the current taxes of each of the years shall not bear any penalty or interest notwithstanding that the quarterly dates may be different from those fixed as the due dates for payments of taxes according to the yearly by-laws of the Municipality. If quarterly payments are advanced and paid prior to due date, then to the extent that such advance payments include amounts on account of current taxes for any of the years 1937 to 1940, a discount will be allowed thereon at the rates and for the periods of advance payments provided for in the yearly tax by-laws of the Municipality. If any default is made in quarterly payments on due dates, then interest shall be charged during the period of default at the rate of 6% per annum not only on that portion thereof which represents amounts on account of the outstanding arrears as above mentioned but also on any amounts included therein which represent payments to be made on account of current taxes.

8. The above mentioned quarterly payments, assumed to be \$5,750.00 each for the years 1937 to 1940, shall be subject to adjustment either up or down, dependent upon whether or not the actual tax bill of each of such

years

years is more or less than \$13,000.00 but any such adjustment which may be up shall not obligate the Companies to pay interest on the upward amounts over the assumed quarterly payment because of the necessary quarterly amounts having to be increased after the time when any quarterly date has passed.

9. The above mentioned general assessment, fixed at \$275,000.00, is to be reduced from time to time as circumstances may require by reason of any of the lands of the Companies or either of them having been sold and thereby becoming assessable to the purchasers thereof. The basis and amounts of such reductions in the general assessment to be agreed upon as each sale takes place requiring an alteration in the assessment between the Companies and the Council of the Municipality, and to be based on the amount at which the land sold is assessed to the new owner thereof as shown on the assessment roll, and failing an agreement, to be determined on summary and informal appeal by either party to the Municipal Board, the decision of which shall be final.

10. As the general assessment is reduced from \$275,000.00 consequent upon sales, and as such reductions are either agreed upon between the Companies and the Council, or as fixed by the Municipal Board, then corresponding reductions shall be made in the quarterly payments still to be made with respect to the current taxes of the years or portions of years 1937 to 1940 unexpired at the time the reduction takes place.

11. If any of the lands of the Companies or either of them are sold or licensed during the currency of this agreement and it becomes necessary for the same to be freed from lien for taxes due or accruing due at the time of the sale or license, the amount to be applied out of the quarterly payments theretofore made under this agreement to satisfy fully the taxes properly attributable to the land so sold or licensed shall be as agreed upon between the Companies and the Council of the Municipality, or failing such agreement to be determined on summary and informal appeal to the Municipal Board the decision of which shall be final; and the provisions of this paragraph shall apply in respect to any lands of the Companies or either of them heretofore sold or licensed and upon which a lien now subsists in respect of any of the said tax arrears of \$32,000.00.

12. The Companies do and each of them doth hereby jointly and severally covenant with the Municipality to pay the said arrears of taxes and the current taxes of each of the years 1937 to 1940, both inclusive, according to the terms and tenor of this agreement and at the times herein stipulated, and upon the said arrears of taxes and current taxes being so paid the Municipality covenants with the Companies that all penalties and interest other than the interest herein provided for, heretofore added or which hereafter may be added to the said arrears of taxes or current taxes or any part thereof shall be waived and payment thereof shall not be demanded and the lands of the Companies shall not be subject to any lien in respect thereof.

13. Nothing in this agreement shall be held or construed to take away from the Municipality its lien, charge or other right for or in respect of the enforcement of the payment of the said taxes or arrears, or any balance which may be owing thereon from time to time as provided by any Act of the Legislature, but the Municipality will not enforce any of its said rights as long as the Companies are not in default under this agreement.

14. This agreement shall be subject to ratification under the provisions of the Private Bill now before the Legislature and upon such ratification being obtained clauses two to six both inclusive included in the Private Bill now before the Legislature shall be deleted.

IN WITNESS WHEREOF the parties hereto have executed these presents.

—and—

THE CORPORATION OF THE VILLAGE OF FOREST

—and—

THE TORONTO TRANSPORTATION COMMISSION,
hereinafter called the "Commission".

WHEREAS, the Commission is, by agreement with the Township, authorized by certain statutes of the Province of Ontario and ratified by other statutes of the said Province, operating certain street car and bus routes in the Township for and on behalf of the said Township.

AND WHEREAS, the Commission is also operating certain bus services in the Village under and pursuant to an agreement with the Village authorized by statute;

AND WHEREAS, such services will be operated in part within the municipal limits of the Township, in part within the municipal limits of the Village and in part within the municipal limits of the Corporation of the City of Toronto;

AND WHEREAS, the parties hereto have agreed that such service shall be given by the Commission subject to the terms and conditions hereinafter set forth.

NOW THEREFORE THIS AGREEMENT WITNESSETH, that the several parties hereto, in consideration of their mutual promises and agreements hereinafter made, have agreed as follows:

1. The Commission will, provided the terms hereinafter set out are fulfilled, operate a transportation service on Eglinton Avenue between Yonge Street in the City of Toronto, and Oakwood Avenue in the Township of York, for the period and on the terms hereinafter set forth.

2. The said bus service shall be furnished by motor buses of a modern type capable of maintaining satisfactory speed and giving adequate and reasonable service.

3. The Commission covenants that it will endeavour at all times during such term to maintain an adequate service as aforesaid but will incur no liability to the Township or the Village for failure to give such service.

4. The fares to be charged upon the said service will be a city fare between Yonge Street and a point to be selected by the Commission at or near Latimer Avenue and from Elmsthorpe Avenue westward to Oakwood Avenue the fare shall be five cents (5c) for adults or eleven tickets

for

5. The Commission shall have the sole management of the transportation service furnished hereunder and shall arrange for the buses, crews and equipment necessary, hours of service, running time, stops and everything else necessary or incidental to the management of the said transportation service.

6. The Township and the Village respectively agree to maintain in good condition the road surface on that portion of Eglinton Avenue within their municipal limits and will also provide reasonably adequate lighting for their respective portion of the said highway.

7. The Township and the Village respectively agree that during the term of this agreement they will take all means within their power to insure to the Commission the exclusive right of furnishing in any manner whatsoever local transportation within their respective limits where such transportation service would compete with the bus line provided for by this agreement, and that in particular they will pass and enforce such by-laws as they may legally pass to prevent the operation of buses or jitneys within such limits which might compete as aforesaid with the service provided by this agreement.

8. All claims or actions for alleged negligence in the operation of such buses shall be made or brought against the Commission and dealt with by it and the Commission shall have, through its Solicitor, the conduct and control of all such claims and actions and of any action brought against the Township or the Village in respect of any such alleged negligence and may defend or compromise the same as it deems expedient.

9. The parties hereto mutually covenant and agree that the entering into of this agreement or any extension or renewal thereof for the joint operation of a bus line on Eglinton Avenue shall not constitute nor create any liability on any of the parties hereto to contribute to the cost of the construction or reconstruction of the bridge on Eglinton Avenue over the Belt Line Railway, but the foregoing provision shall not preclude the Village from contending nor the Township from denying that the passengers using the bus line and their place of domicile indicate a basis upon which liability should be determined, and the parties hereto agree that in case any effort is made to assess against the Commission any portion of such cost the Commission may forthwith abandon the operations covered by this agreement.

10. The Commission shall apportion the receipts and disbursements of the said bus services to be operated hereunder among the parties hereto as to it shall seem from time to time equitable and the parties hereto agree that such apportionment shall be final and binding upon them unless the Ontario Municipal Board, upon the application of any party hereto, shall otherwise order.

11. The Commission shall furnish the Township and the Village from month to month during the currency hereof, with a statement of the receipts and expenditures in connection with the operation covered by this agreement and, in case of a surplus, will forward to the Township and the Village with said statement the amount of such surplus, apportioned as provided for by paragraph 10 hereof; in case of a deficit, the amount of such deficit, apportioned as aforesaid between the parties hereto, shall be forwarded by the said Village to the Commission within ten days of receipt of such statement as aforesaid. In the case of the Township, any such deficit, at its option, will be carried by the Commission as a debt due it and shall bear interest at the rate of four per centum per annum, to be paid at the end of each calendar year, until

such time as it shall be absorbed by surpluses due the Township hereinunder, or until the expiration of these presents, when it, together with interest shall forthwith be repaid by the Township to the Commission.

12. The system of accounting for the costs of providing facilities and of operation of the buses as aforesaid shall be the classification of accounts for bus operation adopted in October, 1925, by the American Electric Railway Association, and any future revisions thereof, or that classification which may be set up for use by the Dominion Government of Canada.

13. Any payments to be made for or in respect of claims or actions for alleged negligence in the operation of such buses shall be made by the Commission and the only amount chargeable by the Commission shall be the same annual cost per car and bus mile as is from time to time incurred by the Commission in the operation of its cars, buses and coaches in and about the City of Toronto in respect of such items (including therein administration and legal expenses).

14. The Commission is to be allowed the sum of seven per cent. of the gross total expenses of operation from month to month to reimburse it for its costs of administration and management in connection with the said operation and such moneys are to be from time to time retained by the Commission for its own use.

15. The respective treasurers of the Township and the Village, or any other qualified person agreed to by the parties hereto, shall at all times during the currency hereof have, on request, access to the books, vouchers, etc., of the Commission dealing with receipts or expenditures in connection with the services provided for hereinunder.

16. The Commission agrees that in respect of its operation within the Township and Village hereinunder it is acting for and on behalf of the Township and Village respectively and that no rights, franchises or privileges are conferred upon it by these presents other than those necessary to carry out the purposes of such presents.

17. This agreement shall continue in force until the 1st day of October, 1939.

18. The parties hereto agree that they will use their best endeavours to have this agreement ratified and confirmed at the next ensuing session of the Legislature of the Province of Ontario.
